Update to Practice Closure

Dear Patients:

As you some of you are aware, my Speech Pathology practice closed in October 2023.

Your Medical Record

I am required by the College of Audiologists and Speech-Language Pathologists to store all original patient records for a period before they can be destroyed. I've selected **RSRS**, a managed health records company to safely and securely store all patient records from my practice.

RSRS can also assist you in obtaining a *certified and searchable copy of your record* for yourself and/or a new practitioner. To arrange for a copy of your record, please contact RSRS at:

www.recordsolutions.ca/CDIDomenicantonio

Tel: 1-888-563-3732

Fax: 1-877-398-5932

Email: info@rsrs.com

(There is a fee for the copy/transfer of medical records, but it is not prohibitive.)

SpeechEasy® Follow-up

If you own a SpeechEasy® device, please be advised that the supplier, SpeechEasy International, ceased distributing to Canada in March 2023 due to supply chain shortages affecting inventory. SpeechEasy® continues to be available for purchase through trained providers in the United States. To order tubes and domes for the Comfort Fit style of device, obtain repair services for all styles, or to schedule an assessment for a replacement device, please contact SpeechEasy in the United States (www.speecheasy.com).

I have enjoyed working with you and wish you well and good health into the future.

Sincerely,

Carla Di Domenicantonio, M.H.Sc.

*RSRS is a physician-managed medical records storage facility. They are fully compliant with the guidelines set by the College of Audiologists and Speech-Language Pathologists of Ontario and the relevant privacy regulations.
