NOTICE OF RETIREMENT

Dear Patient:

With mixed emotions, I wish to inform you that I will be retiring from the practice of medicine on **December 31, 2021**. As your obstetrician and gynecologist, I appreciate the trust you have shown me for the past years, and for allowing me to provide for your specialized medical needs.

Finding a New Doctor

You need to return to your Family Doctor in order to be referred to a new OB/GYN.

Your Medical Record

Your medical records will be stored for a period of time before they can be shredded. We have selected **RSRS Medical Records Management & Informatics** to safely and securely store all patient records from my practice. They will also assist you in obtaining a certified copy of your medical records for yourself and/or a new doctor.

Please make your own arrangements with RSRS at:

www.recordsolutions.ca/Dr.Engle

Or call them: **1-888-563-3732 Ext. 1**

(Note: there is an administrative fee for the transfer of medical records)

Making the decision to close my practice has not been easy. I have valued the trusted relationships we have developed, and I truly appreciate the opportunity to have helped manage your healthcare needs. I will miss my patients and friends because I truly enjoyed practicing medicine. I wish you all the best and a healthy life.

Sincerely,

Dr. Fred Engle
