

Notice of Practice Closure

Dear Patients,

It is with mixed emotions and after much thought that I have decided to retire from my Ophthalmology practice. My last day seeing patients will be on **December 31, 2024**. I appreciate the trust you have shown me over the years and for allowing me to provide your specialized eye care needs.

Finding a New Doctor

You will need to return to your family doctor or optometrist for a referral to a new ophthalmologist.

If you have an urgent medical matter in the absence of a doctor, you should proceed to the nearest emergency room.

Your Medical Record

I am required by the College of Physicians and Surgeons of Ontario to store all original patient records for a period before they can be destroyed. *Your medical record does not automatically follow you when you leave a medical practice, unless you arrange for it.*

I have selected RSRS, a physician-managed company, to safely and securely store all patient records from my practice, and to assist you in obtaining a certified and searchable copy for yourself and/or your new physician. While there is a fee for the copy/transfer of medical records, it is not prohibitive. You may contact RSRS at:

Tel: 1-888-563-3732

Fax: 1-877-398-5932

Email: info@rsrs.com

Once again, I have enjoyed working with each of you and wish you well in the future

Sincerely,

Dr. Ahmed Asholi
