Notice of Practice Closure

Dear Patients:

It is with sadness that we announce the passing of Dr. Keith Auchinachie. **The practice is now permanently closed, effective immediately.** Dr. Auchinachie will be sorely missed by his family, friends, patients, staff and by everyone who knew him.

Finding a New Doctor

You are advised to find a new physician as soon as possible. We recognize that changing physicians may be stressful, but we encourage you to seek continuity of care with the following suggestions to find a new doctor for yourself:

1. Ask family and friends for referrals for their doctors.
2. Contact "Health Care Connect" at 1-800-445-1822.
3. Contact RSRS (see below). They often are aware of physicians accepting new patients.

If you have an urgent medical matter in the absence of a doctor, you should proceed to the nearest emergency room.

*****YOUR MEDICAL RECORD*** (Important)**

The estate of Dr. Auchinachie is responsible to ensure compliant and secure storage for all patient records from the practice. We've chosen RSRS, a physician-managed records facility to provide storage on our behalf and to ensure that all patients can obtain copies of their medical records.

Your medical record is very important for you and for your future care. Please contact RSRS immediately to obtain a copy of your record. This is especially important if you have not yet found a new doctor due to the fact that nobody else will have a copy in the event of an emergency. We recommend that you obtain a copy now and make a separate copy yourself for your new doctor when you find one.

There is a one-time fee for the processing and delivery of your medical record copy which is not covered by OHIP. Please obtain your record in one of the following ways:

Sincerely,
