Important Update Re: My Practice Closure

Dear Patients:

As an update to my previous notice of practice closure, most of you are aware that I closed my family practice as of **November 12, 2025**. I wanted again to thank each and every one of you for having allowed me to be your family physician over the last 13 years.

Finding a New Doctor

For those of you who have still not found a new family doctor, please refer to the suggestions below to assist in your search:

1. Ask family and friends if they can try and get you in with their doctor.
2. Speak to your local pharmacist who may be aware of new physicians in your area.
3. Call "Health Care Connect" at 1-800-445-1822 or online at <https://www.ontario.ca/page/find-family-doctor-or-nurse-practitioner>
4. Contact **RSRS** (see below). They have various resources that can assist you while you are searching for a new doctor.

If you have an urgent medical matter in the absence of a doctor, please proceed to the nearest emergency room.

Your Medical Record

I am required by the College of Physicians and Surgeons to store all original patient records for a period before they can be destroyed. I have selected RSRS, a physician-managed company, to safely and securely store all patient records from my practice, and to assist you in obtaining a certified and searchable copy for yourself and/or your new physician. *Your medical record does not automatically follow you when you leave a medical practice, unless you arrange for it.*

I encourage you to arrange for a certified copy of your personal medical history. It is an important file for your continued care and should be accessible at all times, *especially in the absence of a new doctor.*

Please contact RSRS at your first opportunity to obtain a copy of your medical record. RSRS might also reach out to you to ensure that this notification has been properly received and to assist you further. Please contact RSRS at:

Tel: 1-888-563-3732 Email: info@rsrs.com Fax: 1-877-398-5932

(Please note: The medical record transfers will be handled only by RSRS. There is a fee for the copy/transfer of your medical record in accordance with guidelines, but the fee is not prohibitive.)

I wish everyone good health going forward and wish you all the best.

Best,

Dr. Brent Morin
