NOTICE OF PRACTICE CLOSURE & RETIREMENT

September 2018

Dear Patients:

With the sale of the Medical Arts Building, I decided that it was time to retire. The office is closed as of **July 30, 2018**. I have enjoyed being your physician and it has been an honour and a privilege to assist with your health issues. I have enjoyed so many good friends in the practice; patients, staff, and fellow colleagues.

Finding a New Doctor

Of course you will need to find a new physician, and many physicians are accepting new patients. Try your own neighbourhood first. Family Doctor Finder is a provincial initiative to help you find a new care provider. Register on their website at www.gov.mb.ca/health/familydoctorfinder or call 204-786-7111.

Your Medical Record (Important)

I am required to keep all original clinical records of my patients for a specified period before they can be shredded. We have contracted with **RSRS** (Record Storage & Retrieval Services)*, a physician-managed facility, to store the records from my practice and to transfer to you a certified copy of your file with your instruction. **I urge you to obtain a certified copy of your personal medical history from RSRS so that you have it for yourself and/or for another physician when you need it.** This information is important for your continued care and may not be available to you or your next healthcare provider otherwise.

Please obtain your medical record at:

www.recordsolutions.ca/DrBartlett

or call RSRS at

1-888-563-3732, Ext.1

(Please note that there is a fee for the copying and transferring of medical records)

With best wishes.

I remain yours sincerely,

Lloyd Bartlett M.D. FRCSC .,

* RSRS is a fully compliant, physician-managed medical records facility.
