NOTICE OF RETIREMENT

March 2019

Dear Patients:

As your Obstetrician and Gynecologist, I appreciate the trust you have shown me for the past years, and for the allowing me to provide for your specialized medical needs. At this time and with mixed emotions, I am writing to announce my retirement. **I will no longer have an office practice after June 30th, 2019.**

Finding a New Doctor

You will need to return to your Family Doctor in order to be referred to a new OG/GYN.

Your Medical Record

I must store all patient records for a period of 10 years, after your last visit with me, at which point they will be shredded.

I have selected RSRS to safely and securely store all patient records from my practice on my behalf. If you wish to obtain a *certified copy* of your medical record for yourself and/or a new doctor, you must personally make arrangements through RSRS at:

www.recordsolutions.ca/DrBernstein

or call

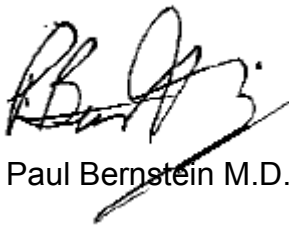

1-888-563-3732 Ext. 1

(Note: there is an administrative fee for the transfer of medical records)

Making the decision to leave my practice has not been easy. I have valued the trusted relationships we have developed, and I truly appreciate the opportunity to have helped manage your healthcare needs.

It has been a pleasure serving you. I wish you and your family the best of health for the future.

Yours truly,

E. Paul Bernstein M.D.

*RSRS is a physician-managed medical records storage facility. They are fully compliant with the guidelines set by the College of Physicians and Surgeons of Ontario and the relevant privacy regulations.
