Notice of Practice Closure

Dear Patients:

It is with mixed feelings and after a period of much reflection, I have decided to retire and close my practice. My last day for seeing patients will be **June 30th, 2022.**

Finding a New Doctor

I recognize that changing physicians may be stressful, but it is important you seek continuity of care by contacting the following listed below:

1. Contact "Health Link Alberta" at 1-800-408-5465
2. Go to <https://albertafindadoctor.ca>
3. Red Deer Primary Care Network <https://reddeerpcn.com>
4. Contact **RSRS, Inc.**(see below). They are often made aware of physicians accepting new patients in different communities.

Your Medical Record

I am required by the College of Physicians & Surgeons of Alberta to store all original patient records for a period before they can be destroyed. I have selected **RSRS**, a physician-managed company to safely and securely store all patient records from my practice and to assist you in **obtaining a certified copy for yourself.**

As a last piece of medical advice I encourage each of you to arrange for the retrieval of your own medical record. It is a very important file for your continued care and should be accessible at all times, even (and especially) in the absence of a new doctor. While there is a fee for the copy/transfer of medical records, it is not prohibitive. Please do not delay in making arrangements by contacting RSRS today at:

www.recordsolutions.ca/DrBromley

or call RSRS at

1-888-563-3732, Ext. 1

My very best wishes to all of you.

Sincerely,

Jack Bromley, MD
