NOTICE OF PRACTICE CLOSURE

July 2019

Dear Patients:

I am writing to let you know that after much thought, and with mixed emotions, I have decided to close my family medicine practice. Dr. Nessim, Dr. Ravat and I have looked after our family of patients for over 50 years and it has been our honour to do so.

My last day seeing patients will be July 31, 2019.

Finding a New Doctor

I have been unable to find another doctor to take over from me. I offer these resources to assist you in finding a new doctor based on referral:

1. Ask family and friends to ask their doctors if they would take you in.
2. Contact "Health Care Connect" which refers patients who don't have a doctor - 1-800-445-1822.
3. Obtain a copy of your medical record from RSRS for yourself, for a walk-in clinic, for emergency and for a new doctor. This will ensure continuity of care. They also have resources for different neighborhoods.
4. Dr. Scott Perry, Appletree Clinic 6-1750 The Queensway (Across from Sherway Gardens) 647-722-2370

In the event of a medical emergency, always proceed to the nearest Emergency Department.

Your Medical Record

College regulations require that I must store all original patient records for a period of time after which they will be destroyed. I have chosen RSRS to provide secure storage for the records. RSRS is a physician-managed facility which will maintain all records in an appropriate manner and will provide you and/or your next family doctor with a certified copy at your request.

There is much valuable clinical information in your medical record which may be of benefit to you in your ongoing health care. ***I encourage each of you to obtain a certified and searchable copy of your medical record asap..*** This information may not be immediately accessible otherwise.

Please contact RSRS at:

(Note: Copy and transfer of medical records is a service not covered by OHIP. A reasonable fee will be charged to you.)

I wish to thank you for the trust and confidence you have shown in me over the past years. I will miss you all!

Yvonne, Julie and I wish you all much health and happiness for the future.

Sincerely,

David Brooks M.D.
