Notice of Practice Closure

Dear Patients:

With mixed emotions, we are announcing our upcoming retirement at the end of June of 2022. It has been a privilege and honour to serve as your paediatricians. We will miss our work and the close relationships we have formed. It was gratifying to see the growth and development of our patients. Our last day at the office is June 27th, 2022. We will remain available until then.

Finding a New Doctor

Unfortunately, we have been unsuccessful in recruiting a suitable physician to take over our practice. We recognize that changing physicians may be stressful, but we encourage you to seek continuity of care with the following suggestions for finding a new doctor.

1. Ask friends and family for referrals to their doctors.
2. Call the "College of Physicians and Surgeons of Ontario" at 416-967-2603.
3. Call "Health care Connect" at 1-800-445-1822
4. Contact **RSRS, Inc.** (see below). They often know physicians accepting new patients in your community.

If you have an urgent medical matter in the absence of a doctor, you should proceed to the nearest emergency room.

Your Medical Record

We are required by the College of Physicians & Surgeons to store all original patient records for a period before they can be destroyed. We have selected **RSRS**, a physician-managed company to safely and securely store all patient records from our practice and to assist you in obtaining a certified copy for yourself.

It is useful for your continued care to retrieve a copy of your medical records, even in the absence of a new doctor. While there is a fee for the copy/transfer of medical records, it is not prohibitive. Please proceed on the web to:

www.recordsolutions.ca/DrCameron

www.recordsolutions.ca/DrFarine

or call RSRS at

1-888-563-3732, Ext. 1

Once again, it has been our pleasure and privilege to have provided paediatric care to so many wonderful families.

Warmest Regards,

*RSRS is a physician-managed medical records storage facility. They are fully compliant with the guidelines set by the College of Physicians and Surgeons of Ontario and the relevant privacy regulations.
