Notice of Practice Closure

Dear Patients:

It is with mixed feelings and after much consideration that I have decided to retire from my ophthalmology practice. Effective immediately, both my Yonge St. and Sherbourne St. locations are closed permanently. You are advised to seek a referral to a new ophthalmologist from your family doctor.

Your Medical Record

I am required by the College of Physicians & Surgeons to store all original patient records for a period before they can be destroyed. I've selected **RSRS**, a physician-managed facility, to safely and securely store all patient records from my practice, and also to assist you in **obtaining a certified copy for yourself and/or your new doctor.**

Note: Your medical record from my practice may be an important document for your ongoing care. While there is a fee for the copy/transfer of medical records, it is not prohibitive.

To obtain a copy of your record, please proceed to:

www.recordsolutions.ca/DrCherry

or call RSRS at

1-888-563-3732, Ext. 1

I have enjoyed working with you to assist with your eye health needs. I wish you well and good health into the future.

Sincerely,

Paul Cherry, MBBS, FRCSEd, FRCS, FRCSC, FRCOphth (UK)
