Notice of Practice Closure

Dear Patients:

It is with mixed emotions that I am announcing the closing of my General Practice effective **June 30, 2023**. It has been a privilege and an honour

Finding a New Doctor

I recognize that changing physicians may be challenging, but I encourage you to seek continuity of care with some of the suggestions below:

1. Ask family and friends if they can try to get you in with their doctor.
2. Call "Health Care Connect" at 1-800-445-1822 or register online at <https://www.ontario.ca/page/find-family-doctor-or-nurse-practitioner>
3. Contact your local hospital to see whether any physicians on staff are accepting new patients
4. Visit the Ministry of Health & Long-Term Care website at: <https://www.ontario.ca/page/your-health>
5. Search for a Community Health Centre near you, as they can provide primary health and prevention programs through physicians and a variety of other health professionals:
<https://www.health.gov.on.ca/en/common/system/services/chc/locations.aspx>.

If you have an urgent medical matter in the absence of a doctor, please proceed to the nearest emergency room.

Your Medical Record

I am required by the College of Physicians & Surgeons to store all original patient records for a period before they can be destroyed. I have selected **RSRS**, a physician-managed company to safely and securely store all patient records from my practice and to assist you in **obtaining a certified copy for yourself and/or your new physician**. Requests for your records from a new physician's office can be faxed in to RSRS at 1-877-398-5932 or emailed to info@rsrs.com

I strongly encourage you to obtain a certified copy of your personal medical history. It is a very important file for your continued care and should be accessible at all times, **especially in the absence of a new doctor**. I have included an infographic illustrating 10 reasons why the record is so important. While there is a fee for the copy/transfer of medical records, it is not prohibitive. Please do not delay in making arrangements by contacting RSRS today at:

I will miss my patients and friends because I truly enjoyed practicing here. I wish you all the best and a healthy life.

Sincerely,

Dr. Alexandra Christodoulou
