Notice of Retirement

Dear Patients:

It is with mixed emotions and after much consideration that I have decided it is time to close my gastroenterology practice. It has been my privilege to assist you with your healthcare needs. My last day for seeing patients will be **February 7, 2022**. Any diagnostic testing reports after that date should be reviewed with your family physician. No prescription renewals will be done by my office after **February 7, 2022**.

Finding a New Doctor

If you require a new Gastroenterologist, you will need to ask your family doctor or another healthcare provider for a referral.

In the event of a medical emergency, patients are instructed to go to the nearest hospital emergency room.

Your Medical Record

I am required to store all patient records for a period of time before they can be destroyed. I have selected RSRS to safely and securely store all patient records from my practice. They will also assist you in obtaining a *certified copy* for yourself and/or a new doctor. *There is a fee for the transfer of medical records, but it is not prohibitive.*

To obtain a copy of your record, please proceed to:

or call RSRS at

1-888-563-3732, Ext. 1

Making the decision to leave my practice has not been easy and leaving practice with so many wonderful patients will be the most difficult part. I have valued the trusted relationship we have developed, and I truly appreciated the opportunity to help manage your healthcare needs.

Yours truly,

Robert N. Clark, M.D.
