Update to Notice of Practice Closure

Dear Patients:

As you are already aware, I am planning to close my practice this coming December.

I'm very pleased to inform you that I have identified a family physician who is prepared to take on those of my patients who wish to enroll with her practice. This is especially wonderful news given the over 1,000,000 Ontarians who currently do not have a family doctor.

Dr. Funmi is a family doctor who trained in Ireland and who also holds a Masters degree in Public Administration of Health Systems. Apart from her many affiliations, she is a member of the College of Family Physicians of Ontario. While you are free to select a new doctor of your own choosing, I am very confident in her abilities to provide excellent care for my patients and I believe you will feel equally confident in her abilities.

Dr. Funmi practices out of the **All Med Health Clinic** located nearby at **535 Mulock Drive, Ste. 102 in Newmarket. Their office can be reached by calling 905-727-4241 or email at: info@allmedhealth.ca.** You should also know that apart from being my old stomping grounds, AllMed also has a very comprehensive group of professionals including a psychiatrist, pediatrician, naturopath, GP psychotherapist, two Physician Assistants, a Nurse Practitioner and a Chiropractor. As well, it is a Walk-in Clinic with extended hours, so that you would also be joining an organization that provides well rounded, available, and comprehensive care.

Unless you have made arrangements with another doctor, I would suggest that you take advantage of this as an excellent opportunity for uninterrupted care.

To join Dr. Funmi's practice, you will need to (1) Enroll in the practice, and (2) Transfer a Copy of Your Record.

1. **Complete the enclosed ENROLMENT FORM** included in this package, or go online at www.recordsolutions.ca/DrDukesz. If you choose to manually complete the form enclosed, please send the completed form to RSRS (once you've also made arrangements for the record transfer). Please complete 1 enrolment form for each adult patient. Additional enrolment forms can be obtained online at the above website, or by calling 1-888-563-3732 (where you can also make arrangements for your medical record)
2. **Obtain a copy / transfer of your MEDICAL RECORD** by completing the enclosed AUTHORIZATION FOR RELEASE OF MEDICAL RECORDS form. Once again, this can also be done by filling in the Authorization form online at www.recordsolutions.ca/DrDukesz. Alternatively, you can contact RSRS at 1-888-563-3732 to make the arrangement for record copy and transfer by phone. (Please note: My office will not be administering either of these forms. This can only be done through RSRS).

Completed forms can be sent:

by email to: medicalrecords@rsrs.com

by fax to: 1-877-398-5932

or by mail to: RSRS Inc: Attn Medical Records Dept.
111 St Regis Cres. South
Toronto, ON M3J 1Y6

Once again, I would like to thank all of you for allowing me the real privilege of caring for you for through these many many years. It was an experience that I will never forget and always hold close to my heart.

Warmest regards,

Dr. Peter Dukesz
