Dear Patient:

After 32 years in practice as a Family Physician and Internist in Newmarket, it is with regret that I am informing you that I have retired. It has been a privilege to assist you with your health care needs over the years.

Your Continued Healthcare Needs

I am happy to inform you that Dr. S. A. (Ali) Mohajerani will be practicing family medicine in my former office, Suite 305 - 531 Davis Dr., Newmarket, and that he is accepting new patients into his practice. If you are interested, you may contact him by calling Shawna at 905-895-8863 as she will be assisting Dr. Mohajerani.

If you prefer to find your own family doctor you may contact Health Care Connect at 1-800-445-1822 for information on other physicians in the area. You may also contact the College of Physicians and Surgeons of Ontario (the "CPSO") at 1 800-268-7096 or visit the CPSO website to search for a physician at www.cpso.on.ca.

Your Medical Record

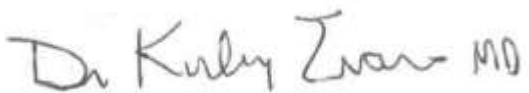

I am required by the CPSO to store all original patient records from my practice for a specific period of time before they may be destroyed. I have selected **RSRS** (a physician managed records facility) to compliantly store all of my records and to assist you in obtaining a certified copy for yourself or the physician to whom you choose to have your records transferred. The fee for the transfer and/or digitization of medical records is not covered by OHIP.

To obtain a digitized and searchable copy of your medical record for Dr. Mohajerani's practice, for another doctor and/or for yourself or for your new doctor please contact RSRS at:

www.RecordSolutions.ca/DrEvans or call 1-888-563-3732 Ext 1

I have enjoyed being your family doctor and I have been so fortunate to have had such a nice group of patients. I have valued our relationship and wish you and your family much health and happiness for the future.

Sincerely
