Notice of Practice Closure

Dear Patient(s):

It is with mixed emotions that I am announcing the closing of my Pediatric practice **effective October 31, 2022**. It has been a privilege and honor to serve as your pediatrician.

Finding a New Doctor

For continuity of care purpose, please start looking into finding a new physician promptly with the following suggestions:

1. If you and/or your child are linked with a primary care physician/family doctor/nurse practitioner, contact their office to confirm your child can be cared for there. They can also provide a referral to a new pediatrician if required.
2. If Dr. Gloor has provided primary care to your child and you do not have a family doctor, you can discuss referral to a pediatrician or family doctor depending on your child and family circumstances.
3. Call the College of Physicians and Surgeons of Ontario at 416-967-2603.
4. Call Health Care Connect at 1-800-455-1822.

If you have an urgent medical matter in the absence of a doctor, please proceed to the nearest emergency room

Your Medical Record

I am required by the College of Physicians & Surgeons to store all original patient records for a period before they can be destroyed. I have selected **RSRS**, a physician-managed company to store all patient records safely and securely from my practice and to assist you in **obtaining a certified copy for yourself**.

I strongly encourage you to obtain a certified copy of your personal medical history. It is a very important file for your continued care and should be accessible at all times, **especially in the absence of a new doctor**. I have included an infographic illustrating 10 reasons why the record is so important. While there is a fee for the copy/transfer of medical records, it is not prohibitive. Please do not delay in making arrangements by contacting RSRS today at:

or call RSRS at

Once again, it has been my pleasure and privilege to have provided pediatric care to so many wonderful families.

Sincerely,

Jane Gloor M.D., RCPSC
