

Dr. Stuart Gordner and Dr. Percy Rajchgot

2100 Finch Avenue West, Suite 202 | Downsview, ON | M3N 2Z9

Notice of Practice Change

Dear parents and children:

As your pediatricians we thank you for the trust you have shown us for the past years. We are writing this notice with mixed emotions. We are transitioning to a partial retirement and working for BoomerangHealth, a pediatric clinic owned by the Hospital for Sick Children (located in Vaughan at 9401 Jane Street, Ste 211, north of Rutherford Road). You can obtain information about this clinic at www.boomeranghealth.com. Dr. Gordner will be retiring completely as of January 6, 2020.

We moved October 1, 2019. BoomerangHealth accepted many of our patients at that location. However, because we are reducing our hours of practice, BoomerangHealth cannot accommodate any more patients.

We are providing a list of Paediatric practices that are willing to accommodate patients that cannot be accommodated by BoomerangHealth. See page 2.

Your medical records: We must keep your records until your child reaches the age of 28 years. Patients who have registered with BoomerangHealth will have their records transferred there and BoomerangHealth will become custodians of these records. If you did not register with BoomerangHealth, after November 30, 2019 records will go into storage and managed by RSRS, a physician managed storage facility which is fully compliant with guidelines set by the College of Physicians and Surgeons of Ontario. You must personally make arrangements through RSRS at:

www.recordsolutions.ca/DrGordner

www.recordsolutions.ca/DrRajchgot

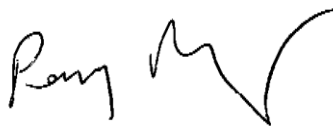

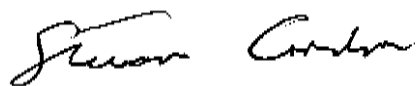

or call RSRS at

1-888-563-3732, Ext. 1

(Note: there is an administrative fee for the transfer of medical records)

We have always valued your trust and always remain grateful that you have allowed us to serve your children's needs.

Yours truly,
