NOTICE OF RETIREMENT

August 2018

Dear Patient

After 45 years, I have made the difficult decision to retire from my family practice. My last day seeing patients will be **November, 29th 2018.**

Finding a New Doctor

Unfortunately, despite my efforts, I have not yet been successful in locating a new physician to take over my practice. I will continue my efforts and will make sure to update you should I be successful, I will let you know. However, as there is no guarantee. I would encourage you to obtain a copy of your medical records as this will be an important part of your transition to any new doctor. For assistance with this, I recommend that you contact Health Care Connect, at 1-800-445-1822.

Medical Record (Important)

I am required to keep all original medical records of my patients for a specified period before they can be shredded. I am not equipped to provide each patient a copy of their medical record, despite its importance for continued health management. I have appointed RSRS (Record Storage & Retrieval Services), a physician-managed facility, as my agent to store the records from my practice and to transfer a copy upon your instruction. **I strongly suggest that you obtain a certified copy of your medical record from RSRS at your earliest convenience. You do not need to have a new doctor to obtain your record.** The information in the record is very important for your continued care.

Please obtain your medical record at:
www.recordsolutions.ca/DrGray
or call RSRS at
1-888-563-3732, Ext.1

(Please note that there is a fee for the copying and transferring of medical records,)

It has been a privilege and great pleasure to have served as your family doctor over the past years. I thank you for your friendship and loyalty. I have valued my relationship with you more than I can express in words.

With very best wishes,

Ian Gray. MD
