Notice of Practice Closure

Dear Patients:

It is with mixed feelings and after much consideration that I have decided to close my Urology practice. **My last day of patient care will be on November 15, 2024.**

Finding a New Urologist

Please see your family doctor who will arrange a referral to a new Urologist as necessary.

If you have an urgent medical matter in the absence of a doctor, you should proceed to the nearest emergency room.

Your Medical Record

I am required by the College of Physicians & Surgeons to store all original patient records for a period before they can be destroyed. I've selected **RSRS**, a physician-managed company to safely and securely store all patient records from my practice.

RSRS will also assist you in obtaining a *certified and searchable copy of your record* for yourself and/or a new physician. To arrange for a copy of your record, please contact RSRS at:

www.recordsolutions.ca/DrHAsim

Tel: 1-888-563-3732

Fax: 1-877-398-5932

Email: info@rsrs.com

(There is a fee for the copy/transfer of medical records, but it is not prohibitive.)

Once again, I have enjoyed working with you to assist with your health care needs and wish you well and good health into the future.

Sincerely,

Dr. Hammad Asim

*RSRS is a physician-managed medical records storage facility. They are fully compliant with the guidelines set by the College of Physicians and Surgeons of Nova Scotia and the relevant privacy regulations.
