Notice of Retirement

Dear Patients:

It is with mixed emotions and after much consideration that I have decided it is time to close my ophthalmology practice effective immediately. It has been my privilege to assist you with your healthcare needs. Any diagnostic testing reports should be reviewed with your family physician. No prescription renewals will be done by my office.

Finding a New Doctor

If you require a new Ophthalmologist, you will need to ask your family doctor or another healthcare provider for a referral.

In the event of a medical emergency, patients are instructed to go to the nearest hospital emergency room.

Your Medical Record

I am required to store all patient records for a period of time before they can be destroyed. I have selected **RSRS*** to safely and securely store all patient records from my practice. **It is important to obtain a certified copy of your personal medical history from RSRS so that you have it for yourself and for another physician when needed.**

To obtain a copy of your record, please proceed to:

www.recordsolutions.ca/DrHarvey

or call RSRS at

1-888-563-3732, Ext. 1

(There is a fee for the medical records, but it is not prohibitive.)

Making the decision to leave my practice has not been easy and leaving practice with so many wonderful patients will be the most difficult part. I have valued the trusted relationship we have developed, and I truly appreciated the opportunity to help manage your eyecare needs.

Yours truly,

Patricia Harvey, MD
