Notice of Practice Closure

Dear Patients:

I appreciate the trust you have shown me for the past years, and for allowing me to provide your specialized medical needs. At this time and with mixed emotions, I am writing to announce the closure of my office. **My last day for seeing patients is June 23, 2023.**

Finding a New Doctor

You will need to return to your Family Doctor in order to be referred to a new Hematologist/Medical Oncologist.

Your Medical Record

I am required to store all patient records for a period before they can be destroyed. I have selected RSRS to safely and securely store all patient records from my practice on my behalf. If you wish to obtain a *certified and searchable copy* of your medical record for yourself and/or a new doctor, you must personally make arrangements through RSRS at:

(Note: there is an administrative fee for the transfer of medical records)

Making the decision to leave my practice has not been easy. I have valued the trusted relationships we have developed, and I truly appreciate the opportunity to have helped manage your healthcare needs.

It has been a pleasure serving you. I wish you and your family the best of health for the future.

Sincerely,

Dr. Jonathan Wilson
