Notice of Practice Closure

May 1, 2023

Dear Patient,

With mixed emotions, I wish to inform you that I will be closing my family medicine practice on **May 31, 2023**. It has been my privilege to look after your medical needs for the last 30 years. After considerable efforts I was able to find two physicians who are willing to take on new patients. I am very confident that you will receive excellent care and treated with respect.

Dr Marina Yostos, will start accepting patients June 2023 .

Dr Fady Andraous , will start accepting patients July 2023.

Both physicians will be located at 203-140 Oxford street East, London (same building and floor as my office). You can contact their office:

by phone: **519-672-9465 after June 1, 2023.**

Obtaining a copy of your medical record is very important for the continuity of care for your new family doctor. I strongly encourage you to obtain a digitized copy of your medical record to take to the above doctors as they are EMR based, or a physician of your choosing as it is a very important file for your continued care and should be accessible at all times, even in the absence of a new doctor.

The College of Physicians and Surgeons of Ontario requires storage of medical records for a number of years. I have selected RSRS* to safely and securely store all medical records from my practice. RSRS will assist you in obtaining a certified, digitized copy or transfer of your medical records. While there is a fee for the copy/transfer of medical records, it is not prohibitive. For more information, do not contact my office, reach out to RSRS at:

I truly enjoyed practicing medicine for over 30 years, and I wish you good health and all the best.

Sincerely yours,

Dr Z. Katsios, MD,CCFP
