Notice of Practice Closure

Dear Patients:

We write to advise you that Dr. Killinger passed away unexpectedly on August 14, 2020. As a result, his practice is now closed.

Finding a New Endocrinologist

If you require a new endocrinologist, you will need to ask your family doctor or another healthcare provider for a referral.

If you have an urgent medical matter in the absence of a doctor, you should proceed to the nearest emergency room.

Your Medical Record

We are required by the College of Physicians & Surgeons to store all original patient records for a period of time before they can be destroyed. We have selected **RSRS**, a physician-managed company to safely and securely store all patient records from Dr. Killinger's practice.

If you or your doctor require your medical record, RSRS will assist you in obtaining a certified copy. While there is a fee for the copy/transfer of medical records, it is not prohibitive.

To Obtain your medical record from RSRS

Dr. Killinger was much respected and loved by his patients and colleagues.

He is missed by all of us.

Sincerely,

The Estate of Dr. Donald Killinger
