NOTICE OF RETIREMENT

May 2018

Dear Patients:

It is with mixed emotions that I am writing to inform you that **I will be retiring on June 28, 2018.** Making the decision to leave my practice has not been easy and leaving so many wonderful patients will be the most difficult part.

Finding a New Physician (a few resources)

1. I have managed to find two physicians at Foothills Primary Care Centre (430-221-9340) who are prepared to take on *some* of my patients. I suggest that you contact the office to schedule yourself in for a “meet and greet”.
 - Dr. Sholeh Dezfuli
 - Dr. Elizabeth Kelly
2. Primary Care Networks in Calgary can help. Visit www.calgaryareadocs.com
3. HealthLink Alberta at 403-943-LINK (5465) or toll-free at 1-866-408-LINK (5465)
4. The College of Physicians and Surgeons at www.cpsa.ca or toll free at 1-800-561-3899

Your Medical Record

Regardless of whether you find another doctor immediately or not, you will need to obtain a copy of your medical record for continuity of care. I am required to store all my patient records for a period of time and I have engaged the services of RSRS – a physician-managed facility- to store the records on my behalf and to assist you in obtaining a certified copy. There is a standard fee for this uninsured service, but the fee is not prohibitive. I suggest that you not wait for another doctor to obtain your record. It's important that you or any care provider have access to your record at all times.

Please obtain your medical record at:

or contact RSRS at
1-888-563-3732 Ext. 1

I have appreciated the opportunity to help manage your healthcare needs. Thank you for the privilege of being your family doctor. I will miss everyone, and I wish you and your family much health and happiness for the future.

Yours sincerely,

Christine Lebeuf M.D.
