Notice of Practice Closure

Dear Patients and families,

I am writing to inform you that after much consideration, I have decided to close my practice effective **February 22, 2024**. I would like to thank all of you for entrusting me with your children's healthcare. I have enjoyed getting to know each and every one of you and I will miss seeing you.

I recognize that changing physicians may be stressful, but I encourage you to be proactive in your child's healthcare management during this time. I encourage you to seek continuity of care with some of the suggestions provided below:

1. If you and/or your child are linked with a primary care physician/family doctor/nurse practitioner, contact their office to confirm your child can be cared for there. If your child is on **prescription medication**, please make an appointment with your child's primary care practitioner in the near future.
2. Call "Health Care Connect" at 1-800-445-1822 or online at <https://www.ontario.ca/page/find-family-doctor-or-nurse-practitioner>
3. Contact **RSRS** (see below). They often are aware of physicians accepting new patients.

If you have an urgent medical matter in the absence of a doctor, please proceed to the nearest emergency room.

Your Medical Record

I am required by the College of Physicians & Surgeons to store all original patient records for a period of time before they can be destroyed. I have selected **RSRS**, a physician-managed company to safely and securely store all patient records from my practice and to assist you in **obtaining a certified copy for yourself and/or your child's physician**. Requests for your records from your physician's office can be faxed in to RSRS at 1-877-398-5932 or emailed to info@rsrs.com

Should you require a copy of your child's medical record, please contact RSRS to arrange for a certified copy to be sent to you or to a physician of your choosing. While there is a fee for the copy/transfer of medical records, it is not prohibitive. You can contact RSRS at:

Sincerely,
