Notice of Practice Closure

Dear Patients:

It is with mixed feelings and after much consideration that I have decided to retire from my Endocrinology practice. **My last day of patient care will be August 22, 2025.**

If you have an urgent medical matter in the absence of a doctor, you should proceed to the nearest emergency room.

Your Medical Record

I am required by the College of Physicians & Surgeons to store all original patient records for a period before they can be destroyed. I've selected **RSRS**, a physician-managed company to safely and securely store all patient records from my practice. RSRS will also assist you in obtaining a *certified and searchable copy* for yourself or a new physician. While there is a fee for the copy/transfer of medical records, it is not prohibitive. Please contact RSRS at:

www.recordsolutions.ca/DrMSilverman

Tel: 1-888-563-3732

Fax: 1-877-398-5932

Email: info@rsrs.com

Once again, I have enjoyed working with you to assist with your health care needs and wish you well and good health into the future.

Sincerely,

Mark S Silverman, MD, FRCPC

*RSRS is a physician-managed medical records storage facility. They are fully compliant with the guidelines set by the College of Physicians and Surgeons of Ontario and the relevant privacy regulations.
