NOTICE OF RETIREMENT

Dear Patients:

I am sad to inform you that I am retiring from the practice of medicine. **My last day for seeing patients will be December 13th, 2019.**

Your Continued Care

I feel very fortunate that Dr. Lina Al-Imari, Dr. Aditi Lakhani, Dr. Ekta Lakhani, and Dr. Jacob Shin at the Centro Healthcare Medical Clinic have agreed to take over all my patients. Please see attached for a profile on each of these doctors. I am very happy to have found such caring and competent doctors to take my place. Please call 905-605-4744 to book an appointment with the doctor that you choose. *(Note: You will need to obtain a digital copy of your medical record to attend these doctors as their practices are fully digitized – see below).*

For any tests that you were to do after December 13th, you will need to see your new doctor for another requisition. For follow-up of any reports including consultants' notes, please see your new doctor.

Your Medical Record

I am required to store all original patient records for a number of years, after which they will be destroyed. After December 13, 2019, all my medical records will be transferred to, and stored by RSRS, a physician managed facility. RSRS will assist you in obtaining *a certified digital copy of your record, which you will need for your new doctor.*

Please arrange to have your records transferred by contacting RSRS at:

www.recordsolutions.ca/DrMaryWong

or call RSRS at

1-888-563-3732, Ext. 1

(Note: there is an administrative fee for the transfer of medical records)

I will miss you all. I wish you all the best and a healthy future.

Sincerely,

Mary Wong, M.D.

*RSRS is a physician-managed medical records storage facility. They are fully compliant with the guidelines set by the College of Physicians and Surgeons of Ontario and the relevant privacy regulations.
