NOTICE OF RETIREMENT

Dear Patients:

It is with mixed emotions and after much consideration that I have decided it is time to retire from my family practice. It has been my privilege to assist you with your healthcare needs. **My last day in office will be November 27th, 2019.**

Finding a New Doctor

The efforts of Professional Recruiting have not found a doctor to take over my practice. Professional Recruiting will continue to search for one. In the event it is not successful, the following are suggestions to find a new doctor.

1. Ask family and friends to ask their doctors if they would take you in.
2. Contact "New Brunswick Health" at 8-1-1 or visit <https://www2.gnb.ca/>
3. Visit Patient Connect NB Online at <http://www.gnb.ca/patientconnectnb>

In the event of a medical emergency, patients are instructed to go to the nearest hospital emergency room or call 9-1-1.

Your Medical Record

I am required to store all patient records for a period of time before they can be destroyed. I have selected RSRS to safely and securely store all patient records from my practice. They will also assist you in obtaining a *certified copy* for yourself and/or a new doctor.

I urge you to arrange for the transfer of your record as it is very important for your continued care, even in the absence of a new doctor. I have included an infographic illustrating 10 reasons for keeping your record. Please do not delay in making arrangements.

or call RSRS at

(Note: there is an administrative fee for the transfer of medical records)

Making the decision to retire from my 50 years of Family Practice and 45 years of OBS has not been easy. I value the relationships we have developed. I wish you and your family the best of health in the future.

Yours truly,

Wayne McLaughlin, M.D. CCFP FCFP
