Notice of Practice Closure

Dear Patients:

It is with mixed emotions that I announce my retirement from my family practice. **My last day in office will be Wednesday, June 30, 2021.** It has been a privilege to have been part of your lives. I will surely miss each one of you and miss your kindness and encouragement.

Finding a New Doctor

I have been unsuccessful in recruiting a suitable physician to take over my practice. I recognize that changing physicians may be stressful, but I encourage you to seek continuity of care with the following suggestions to find a new doctor for yourself:

1. I understand Dr. Tarun Kumar, and Dr. Abdul Mughal are taking new patients. The location is : Springdale Medical Centre, 630 Peter Robinson Blvd, Unit 15, Brampton, ON L6R 1T4
2. Ask members of your family or friends for referrals to their own doctor.
3. Call "Health care Connect" at 1-800-445-1822
4. Contact **RSRS** (see below). They often know physicians accepting new patients in your community.

Your Medical Record

I am required by the College of Physicians & Surgeons to store all original patient records for a period before they can be destroyed. I have selected **RSRS**, a physician-managed company, to safely and securely store all patient records from my practice and to assist you in **obtaining a certified copy for yourself.**

I strongly encourage each of you to arrange for the retrieval of your own medical record.

It is a very important file for your continued care and should be accessible at all times, even (and especially) in the absence of a new doctor. (I have included an infographic illustrating 10 reasons why). While there is a fee for the copy/transfer of medical records, it is not prohibitive. Please do not delay in making arrangements by contacting RSRS today.
