Notice of Practice Closure

Dear Patients:

It is with mixed feelings that I am announcing my upcoming retirement in December 2021. It has been a privilege and honour to have served you as your family doctor. My last day at the office is December 16, 2021. I remain available until then. For specialist consultations and medical tests completed and reported after this date, please arrange follow-up with your new family doctor to review.

Finding a New Doctor

I have been unsuccessful in recruiting another physician to take over my practice. I recognize that changing physicians may be stressful, but it is important you seek continuity of care with the following suggestions to find a new doctor for yourself:

1. Ask family and friends for referrals to their doctors.
2. London Medical Centre: Drs S. Kongolo & M. Al-Witry @ 587-329-0266
3. Go to www.albertafindadoctor.ca
4. Go to www.search.cpsa.ca
5. Contact **RSRS** (see below). They often are aware of physicians accepting new patients.

If you have an urgent medical matter in the absence of a doctor, please proceed to the nearest emergency room.

Your Medical Record

I am required by the College of Physicians & Surgeons of Alberta to store all original patient records for a period before they can be destroyed. I have selected **RSRS**, a physician-managed company to safely and securely store all patient records from my practice and to assist you in **obtaining a certified copy for yourself**.

As a last piece of medical advice I encourage each of you to arrange for the retrieval of your own medical record.

It is a very important file for your continued care and should be accessible at all times, even (and especially) in the absence of a new doctor. (I have included an infographic illustrating 10 reasons why). While there is a fee for the copy/transfer of medical records, it is not prohibitive. Please do not delay in making arrangements by contacting RSRS today at:

www.recordsolutions.ca/DrNoiles

or call RSRS at

1-888-563-3732, Ext. 1

I wish you well and good health into the future.

Warmest Regards,

Mary Noiles MD CCFP FCFP
