Notice of Practice Closure

Dear Patients,

It is with mixed emotions I announce my retirement and I wish to share that I will be closing my ophthalmology practice. My final day seeing patients will be **June 30, 2026**. Many of you are aware of this already.

Please note: the office number has been changed to 604-442-0171

If you have been referred to another ophthalmologist, only a summary has been sent to them. To obtain your full medical record, please reach out to RSRS for assistance in obtaining it. Kindly note that OCT images will NOT be stored with RSRS. If you require them, your OCT images will continue to be on file at my former office. However, the OCT notes (without the images) can be found in your medical record that RSRS will provide with the release of your full record.

Your Medical Record

I am required by the College of Physicians & Surgeons to store all original patient records for a period of ten years after I cease practice. I've selected **RSRS**, a physician-managed company, to safely and securely store all patient records from my practice. RSRS can also assist you in obtaining a *certified and searchable full copy* of your records. If you would like a certified copy of your full chart (without OCT images), then contact RSRS at:

www.recordsolutions.ca/DrPMa

Tel: 1-888-563-3732

Fax: 1-877-398-5932

Email: info@rsrs.com

(Please note: There is a fee for the copy/transfer of your medical record in accordance with guidelines, but the fee is not prohibitive.)

It has been a privilege and an honor to provide medical care to you over the years. Thank you for the trust you have placed in me, and I wish you and your family the best of health.

Sincerely,

Dr. Patrick E. Ma

*RSRS is a physician-managed medical records storage facility. They are fully compliant with the guidelines set by the College of Physicians and Surgeons of British Columbia and the relevant privacy regulations.
