Notice of Practice Closure

Dear Patients:

It is with mixed emotions that I am announcing my upcoming practice closure **September 30, 2021.**

Accessing further General Practitioner provided Psychotherapy

If you require further GP-psychotherapy, you will need to ask your family doctor or another healthcare provider for a referral.

If you have an urgent medical matter in the absence of a doctor, you should proceed to the nearest emergency room.

Your Medical Record

I am required by the College of Physicians & Surgeons to store all original patient records for a period before they can be destroyed. I have selected **RSRS**, a physician-managed company to safely and securely store all patient records from my practice.

If you or your doctor require your medical record, RSRS will assist you in **obtaining a certified copy for yourself**. While there is a fee for the copy/transfer of medical records, it is not prohibitive. Please obtain your medical record by going to the following website:

www.recordsolutions.ca/DrPangka

or call RSRS at

1-888-563-3732, Ext. 1

It has been a privilege to have played a role in your healthcare management. I wish you good health and happiness for the future.

Sincerely,

Kyle Pangka, MD
