NOTICE OF PRACTICE CLOSURE

September 2018

Dear Patients:

It is with mixed emotions that I am writing to inform you that I will be retiring from family practice. after 47 years. My last day seeing patients will be **December 20th 2018.**

** Please contact my office before this date for any prescription refills.*

Finding a New Doctor

It is important for you to begin seeking another healthcare professional to take over your care. It may be difficult to find a new doctor. Asking family and friends if they can ask their doctor to accept you as a patient. You can also try to get a referral from **Health Care Connect** at 1-800-445-1822. Once you find a new family doctor, please let your specialist doctors know. I am no longer responsible for any test results after December, 2018.

Your Medical Record

Your original medical record must be safely stored for a period of time before it can be shredded. I have arranged with RSRS, a physician-managed facility to safely store all records from my practice and to assist you in obtaining a certified copy. Your medical record is very important for the future of your healthcare. I do suggest you obtain a copy as soon as possible, whether you find a doctor immediately or not. It is important that you are able to access this information whenever it's needed.

Please go online to
www.recordsolutions.ca/DrParry
or contact RSRS at
1-888-563-3732 Ext. 1
There is a fee for the transfer of medical records

Making the decision to leave my practice has not been easy. I truly appreciate having had the opportunity to help manage your healthcare needs.

Thank you for the privilege of being your family doctor for all these years. I wish you and your family the best of health in the future.

Yours truly,

Park Parry M.D.
