NOTICE OF PRACTICE CLOSURE

September 2018

Dear Patients:

After 50 years in practice, I have made the difficult decision to retire from my family practice. I plan to now enjoy my retirement with family and friends.

My last day in office was **Friday August 31st, 2018, the office is now closed.**

Finding a New Doctor

It can be difficult to find a new doctor. You may consider asking family and friends if their doctors can accept you as a patient. You can also try to get a referral from **Health Care Connect** at 1-800-445-1822. Once you find a new family doctor, please inform your consulting specialists of the change as I will no longer be responsible for any of your test results after August 2018.

Medical Record (Important)

I am required to store all my original patient records for a period of 2 years (until August 2020) before they can be destroyed. I have appointed RSRS, a physician-managed facility to provide the storage for my records in accordance with the regulations.

Your medical record is very important for your ongoing care. Please contact RSRS to obtain a certified copy of your record. Please do not wait until you find a new doctor as this information is also very important when you don't have a doctor and you require immediate care elsewhere. I recommend that you always keep a copy for yourself moving forward.

Please contact RSRS as follows:

Call 1-888-563-3732 Ext. 1

or

Go online to www.RecordSolutions.ca/DrPeoples

There is a fee to obtain a copy of your record as it is not covered by OHIP

It has been a great honour being your doctor. I wish you and your family much health and happiness for the future.

Sincerely,

Dr. Brian Peoples
