Update to Notice of Practice Closure

Dear Patients:

It is with sadness that we announce the passing of Dr. Imelda Pilar. As you are aware, her practice had closed on October 31, 2022. Dr. Pilar will be sorely missed by her family, friends, patients, staff and by everyone who knew her.

Your Medical Record

Dr. Pilar's patient records must be stored for a number of years in accordance with guidelines set forth by the College of Physicians & Surgeons of Ontario. Dr. Pilar's estate has selected RSRS, a physician-managed company, to safely and securely store all patient records from her practice. RSRS will also assist you in obtaining a searchable and certified copy of your record for yourself and/or your new doctor.

It is recommended that each of Dr. Pilar's patients obtain a certified copy of their personal medical history. It is an important file for your continued care and should be accessible at all times, *especially in the absence of a new doctor*. An infographic illustrating 10 reasons why the record is so important has been included. While there is a fee for the copy/transfer of medical records, it is not prohibitive. You can make arrangements for your medical record by contacting RSRS at:

Sincerely,

On behalf of
The Estate of Dr. Imelda Pilar
