Notice of Practice Closure

Dear Patients,

It is with mixed emotions that I have decided to close my family practice. *My last day for doing tests will be on November 16, 2022 and the practice will be closed on November 30, 2022.*

Finding a New Doctor

Please start looking for a new family physician immediately with the following suggestions:

1. Call the College of Physicians and Surgeons of Ontario at 416-967-2603
2. Call "Health Care Connect" at 1-800-445-1822 or register online at <https://www.ontario.ca/page/find-family-doctor-or-nurse-practitioner>
3. Ask family and friends to ask their doctors if they can take you in.
4. Contact RSRS (see below). They are often aware of physicians accepting new patients

If you have an urgent medical matter in the absence of a family doctor, please proceed to the nearest emergency room.

Your Medical Records

The College of Physicians & Surgeons requires all retiring doctors to store all original patient records. I've selected **RSRS**, a physician-managed company, to securely store all patient records from my practice and to assist you in **obtaining a certified copy for yourself on a memory stick or photocopy. You can then take that with you to a new doctor of your choosing.** Requests for your records by a new physician's office can be faxed in to RSRS at 1-877-398-5932 or emailed to info@rsrs.com

Please do not wait to arrange for the transfer of your record. It is an important file for continuous care and should always be accessible, especially when you don't yet have a new doctor. There is a fee for the copy/transfer of medical records, but it is not prohibitive. To arrange to obtain your record please contact RSRS today at:

It has been an honour providing medical care over the years for all my patients. I would like to thank everyone for their trust and confidence. Wishing you all the best, and good health for many more years to come.

Sincerely,

Dr. Robert Leung
