Notice of Practice Closure

Dear Patients:

It is with mixed emotions that I am announcing I will no longer be practicing at Mohawk Medical Arts Clinic **effective August 01, 2022**. Due to personal family considerations, I will be moving to Calgary where I will be practicing family medicine.

Finding a New Doctor

Unfortunately, I have been unable to find a physician to take over my practice. I am also aware that it is not easy for you to find someone to take over your care. I offer the following suggestions to assist you:

1. Ask family and friends if they can try to get you in with their doctor.
2. Go to <https://www.palliserpcn/health-professionals/doctors>
3. Go to <https://albertafindadoctor.ca>
4. Contact "Health Link Alberta" at 1-800-408-5465.
5. Contact **RSRS** (see below). They often are aware of physicians accepting new patients.

If you have an urgent medical matter in the absence of a doctor, please proceed to the nearest emergency room. If you are following up on investigations of a less urgent nature, please go to a walk-in clinic and have them check your results on "Netcare".

Your Medical Record

I am required by the College of Physicians & Surgeons to store all original patient records for a period before they can be destroyed. I have selected **RSRS**, a physician-managed company to safely and securely store all patient records from my practice and to assist you in **obtaining a certified copy for yourself**.

I strongly encourage you to obtain a certified copy of your personal medical history. It contains far more detail than Netcare and is a very important file for your continued care and should be accessible at all times, **especially in the absence of a new doctor**. There is a fee for the copy/transfer of medical records, it is not prohibitive. Please do not delay in making arrangements by contacting RSRS today at:

www.recordsolutions.ca/DrRazaDrSaleem

or call RSRS at

1-888-563-3732, Ext. 1

I also encourage you to arrange for a follow up visit with me at Mohawk Medical Arts Clinic before my last day on July 30, 2022.

It has been so very rewarding over the years to help you with health issues. I wish you good health and much happiness for the future.

Sincerely,

Dr. Muhammad Raza

Dr. Madiha Saleem

*RSRS is a physician-managed medical records storage facility. They are fully compliant with the guidelines set by the College of Physicians and Surgeons of Ontario and the relevant privacy regulations.
