Notice of Practice Closure

Dear Patients:

As you may be aware already, I am retiring from my family practice on June 30, 2022. It has been a privilege and an honour serving you as your family doctor.

Finding a New Doctor

For continuity of care purpose, please start looking into finding a new family physician right away with the following suggestions:

1. Call the College of Physicians and Surgeons of Ontario at 416-967-2603.
2. Call "Health care Connect" at 1-800-445-1822 or register online at <https://www.ontario.ca/page/find-family-doctor-or-nurse-practitioner>
3. Ask family and friends to ask their doctors if they can take you in.
4. Contact RSRS (see below). They are often aware of physicians accepting new patients.

If you have an urgent medical matter in the absence of a family doctor, please proceed to the nearest emergency room.

Your Medical Records

The College of Physicians & Surgeons requires me to store all original patient records for a period before they can be destroyed. I've selected **RSRS**, a physician-managed company to safely and securely store all patient records from my practice. RSRS will also assist you in **obtaining a certified copy of your medical file for yourself or your new physician.**

I encourage each of you to arrange for the transfer of your record as it is a very important file for your continued care and should be accessible at all times, (included you will find an infographic illustrating 10 reasons why). While there is a fee for the copy/transfer of medical records, it is not prohibitive. Please do not delay in making arrangements by contacting RSRS today

or call RSRS at

1-888-563-3732, Ext. 1

Thank you for allowing me to participate in your health care these past years and I wish you all the best in the future.

Sincerely,

Dr. Eric Ready MD, CCFP, FCPP
