Notice of Practice Closure

Dear Patients:

It is with mixed feelings that I am writing this letter to advise you that I will be closing my practice. **My last day for seeing patients is June 26th, 2020.**

Finding a New Doctor

Despite my efforts, I have been unable to find a doctor to take over my practice. It is advisable that you find a new physician as soon as possible. I recognize that changing physicians may be stressful, but I encourage you to seek continuity of care with the following suggestions to find a new doctor for yourself:

1. Ask family and friends to ask their doctors if they would take you in.
2. Contact Family Doctor Finder at 1-866-690-8260 or on the web at www.gov.mb.ca/health/familydoctorfinder
3. Contact RSRS (see below). They often are aware of physicians accepting new patients.

In the event of a medical emergency, patients are instructed to go to the nearest hospital emergency room.

Your Medical Record

I am required by the College of Physicians & Surgeons to store all original patient records for a period of time before they can be destroyed. I've selected RSRS, a physician-managed company to safely and securely store all patient records from my practice. They've also been asked to assist you in **obtaining a certified copy for yourself and/or a new doctor.**

I encourage each of you to obtain a copy of their medical record from RSRS. It is very important for your continued care and should be accessible at all times, even (and especially) in the absence of a new doctor. I've included an infographic illustrating 10 reasons why. Please do not delay in making arrangements by contacting RSRS today. Please proceed on the web to:

www.recordsolutions.ca/DrRothova

or call RSRS at

1-888-563-3732, Ext. 1

(Please note that there is a fee for the copying and transferring of medical records)

Once again, I have enjoyed working with you to assist with your health care needs. I wish you well and good health into the future.

Best regards,

Anna Rothova, MD
