NOTICE OF PRACTICE CLOSURE

September 2018

Dear Patients:

After 33 years of practice, I have made the difficult decision to retire from my family practice. I plan to now enjoy my retirement with family and friends. **My last day seeing patients is January 16, 2019.**

Finding a New Doctor

It can be difficult to find a new doctor. You may consider asking family and friends if their doctors can accept you as a patient. You can also try to get a referral from **Health Care Connect** at 1-800-445-1822. Physicians at the following health centres are accepting new patients at this time.

Richmond Goulbourn Medical Center

Phone: (613) 838-1223

Email: newphysicians@gmail.com (please send requests to this email address)

Address: 6206 Perth St., Richmond, ON K0A 2Z0.

ActiveCare Medical Group

Phone: (613) 319-7996

Address: 39 Leacock Way (Beaverbrook Area), Kanata, ON K2K 1T1.

Once you find a new family doctor, please inform your consulting specialists of the change as I will no longer be responsible for any of your test results after January 2019.

Medical Record (Important)

I strongly recommend that you obtain a copy of your medical record for your ongoing care. I am required to store all my original patient records for some time before they can be destroyed. I have appointed RSRS, a physician-managed facility to provide the storage for my practice.

Please contact RSRS to obtain a certified copy of your record. You should not wait until you find a new doctor as this information is also very important when you don't have a doctor and you require immediate care elsewhere. I recommend that you always keep a copy for yourself moving forward.

Please contact RSRS as follows:

Call 1-888-563-3732 Ext. 1

Or

Go online to www.RecordSolutions.ca/DrSaini

There is a fee to obtain a copy of your record, but the fee is manageable and RSRS will assist you any way they can.

It has been a great honour being your doctor. I have certainly met many wonderful and wise people over the years and of course learnt many things along the way. I would like to thank each and every one of you for giving me the privilege of being part of your health management. I wish you and your family much health and happiness for the future.

Sincerely,

Joginder K. Saini MD.
