

NOTICE OF RETIREMENT

June 2018

Dear Patients:

It is with mixed emotions that I am writing to inform you that I will be retiring from my General Practice effective end of day on **Friday, August 31, 2018.**

Finding a New Doctor

Unfortunately, I have not been able to find a physician to assume the care of my patients. I recommend the following to help you look for a new doctor:

1. Ask family and friends to ask their doctors if you can be accepted into their practices. A personal recommendation can make a big difference.
2. Health Care Connect is a Ministry of Health initiative which assists patients in finding a family doctor. They can be reached at 1-800-445-1822 or go to their website at: www.health.gov.on.ca/en/ms/healthcareconnect/public
3. London & District Academy of Medicine they can be reached at 519-673-0950

Medical Record (Important)

Regardless of whether or not you find a new physician, ***I suggest you obtain a copy of your medical record for continuity of care.*** This information is very important and should be available to you at all times. I am required to store all of my original patient records for a period of time and I have engaged the services of RSRS – a physician-managed facility, to store the records on my behalf and to transfer a certified copy to you and /or to a new doctor at your request. Please obtain your medical record at:

www.recordsolutions.ca/DrSandejas

or contact RSRS at

1-888-563-3732 Ext. 1

(Please note that the fee for the production and transfer of medical records is not covered by OHIP.)

It has been a great pleasure and a privilege being your physician. I wish you and your family much health and happiness in the years to come.

Sincerely,

Mario Sandejas M.D.
