Notice of Practice Closure

Dear Patients:

It is with mixed feelings and after much consideration that I have decided that I will be closing both of my practices. **My last day for seeing patients is April 9, 2020.**

Finding a New Doctor

It is advisable that you find a new physician as soon as possible. I recognize that changing physicians may be stressful, but I encourage you to seek continuity of care with the following suggestions to find a new doctor for yourself:

1. Ask family and friends to ask their doctors if they would take you in.
2. Contact "Health Care Connect" at 1-800-445-1822.

You should attend a walk-in clinic closest to your home or the emergency room at the nearest hospital for any urgent condition.

Your Medical Record

I am required by the College of Physicians & Surgeons to store all original patient records for a period of time before they can be destroyed. I've selected RSRS, a physician-managed company to safely and securely store all patient records from my practice. They've also been asked to assist you in **obtaining a certified copy for yourself and/or a new doctor.**

I encourage each of you to arrange for the retrieval of your medical record. It is a very important file for your continued care and should be accessible at all times, even in the absence of a new doctor. Please contact RSRS at:

or call RSRS at

1-888-563-3732, Ext. 1

Making the decision to leave my practice has not been easy and leaving practice with so many wonderful patients will be the most difficult part. I have valued the trusted relationships we have developed. Please observe the social distancing requirement during this challenging period.

I wish you and your family the best of health for the future.

Sincerely,

Peter Sauret, M.D.
