Notice of Practice Closure

Dear Patients:

With mixed emotions, I inform you of the closure of my practice effective September 30, 2021. As I embark on focusing my clinical practice in Palliative Care and Long-Term Care in Toronto, I will be missing my practice, patients, and the wonderful community in Cambridge.

Finding a New Doctor

After nearly six months of searching, I have been unsuccessful in recruiting a suitable replacement to take over your care. I recognize that changing physicians may be stressful, but I encourage you to seek continuity of care as soon as possible, with the following suggestions:

1. **Doctors4Cambridge**, run by Cambridge Chamber of Commerce:
www.doctors4cambridge.com
2. Call "**Health Care Connect**" at **1-800-445-1822**
3. Ask friends and family for referrals to their doctors
4. Contact **RSRS, Inc.** (see below). They often know physicians accepting new patients in your community
5. List of Urgent & Non-Urgent Care centers on the reverse side

Your Medical Record

I am required by the College of Physicians & Surgeons to store all original patient records for a period before they can be destroyed. I have selected **RSRS**, a physician-managed company to safely and securely store all patient records from my practice and to assist you in **obtaining a certified copy for yourself**.

I encourage each of you to arrange for the retrieval of your own medical record. It is a very important file for your continued care and should be accessible at all times, even (and especially) in the absence of a new doctor. While there is a fee for the copy/transfer of medical records, it is not prohibitive. Please do not delay in making arrangements by contacting RSRS today. Please proceed on the web to:

www.recordsolutions.ca/DrShamon

or call RSRS at

1-888-563-3732, Ext. 1

Thank you for allowing me to be part of your medical care for the past 6 years and all the best in the future.

Sincerely,

Sandy Shamon MD CCFP PC

*RSRS is a physician-managed medical records storage facility. They are fully compliant with the guidelines set by the College of Physicians and Surgeons of Ontario and the relevant privacy regulations.
