Notice of Practice Closure

Dear Patients:

It is with mixed emotions that I am announcing my upcoming practice closure **September 30th, 2021.**

Finding a New Rheumatologist

If you require a new rheumatologist, you will need to ask your family doctor or another healthcare provider for a referral.

If you have an urgent medical matter in the absence of a doctor, you should proceed to the nearest emergency room.

Your Medical Record

I am required by the College of Physicians & Surgeons to store all original patient records for a period before they can be destroyed. I have selected **RSRS**, a physician-managed company to safely and securely store all patient records from my practice.

If you or your doctor require your medical record, RSRS will assist you in **obtaining a certified copy for yourself**. While there is a fee for the copy/transfer of medical records, it is not prohibitive. Please obtain your medical record by going to the following website:

www.recordsolutions.ca/DrSilverberg

or call RSRS at
1-888-563-3732, Ext. 1

It has been a pleasure and a wish you all good health and the best of luck.

Sincerely,

Samuel Silverberg, MD

* RSRS is a physician-managed medical records storage facility. They are fully compliant with the guidelines set by the College of Physicians and Surgeons of Ontario and the relevant privacy regulations.
