NOTICE OF PRACTICE CLOSURE

April 30, 2019

Dear Patients:

I wish to inform you that I am closing my cardiology practice, and my office at Royal University Hospital will be closed effective April 30, 2019. I am no longer seeing patients.

Finding a New Cardiologist

You will need to return to your Family Physician for review as to whether referral to a new Cardiologist is required. If at any point you need immediate medical care, please attend the Emergency Department.

Your Medical Record

I have arranged for RSRS to safely and securely store all patient records from my practice, and I am in the process of providing them with all patient records. This transfer process will not be complete until approximately May 31, 2019.

After May 31, 2019, RSRS will be able to assist you in accessing a copy of your record for yourself and/or any authorized third parties. You can make arrangements with RSRS at:

**www.recordsolutions.ca/DrStein
or call 1-888-563-3732 Ext. 1**

Please note that there is a reasonable fee for obtaining for accessing your medical records.

I appreciate the opportunity to have helped manage your healthcare needs. I wish you and your family the best of health for the future.

Sincerely,

Dr. Jeffrey C Stein, MD, FRCP (C)
