NOTICE OF RETIREMENT

May 2019

Dear Patients:

I am writing to let you know that after much thought, and with mixed emotions, I have decided to close my family medicine practice. **My last day seeing patients will be Friday August 30, 2019.**

Finding a New Doctor

Despite my determined effort, I have been unable to find another doctor to take over from me. Here are a few thoughts on finding a new family doctor. You may wish to consider:

1. Approaching the family doctor of your family or friends.
2. Reviewing the website: www.findadoctornl.ca
3. Reviewing the website of the College of Physicians and Surgeons at www.cpsnl.ca. They have a list of licensed family doctors.
4. Doing a Google search for family doctors in your area. You can also try the Yellow Pages website.

Your Medical Record

College regulations require that I must store all original patient records for several years. I have chosen RSRS to provide this service. I am confident that RSRS will maintain all records in an appropriate manner and will provide you and/or your next family doctor with a copy at your request.

I do believe that there is much valuable clinical information in your medical record which will be of benefit to you in your ongoing health care. I encourage you to obtain a certified copy without delay, especially if you do not immediately have a new family doctor. This information may not be immediately accessible otherwise. Understandably, there is a reasonable fee for the presentation of a certified copy and transfer of your record. Please contact RSRS at:

or call

And so, I wish to thank you for the trust and confidence you have shown in me over the past years. I will miss you all!

Wishing you all the best.

Sincerely,

Mary Watson MD CCFP
