

Dr. Val Rachlis & Dr. Stanley Teitelbaum

5 Fairview Mall Drive, Suite 260 Toronto Ontario M2J 2Z1

Getting Started with Doctors Nadel and Li

After an extensive search, we are very fortunate to have found four excellent family physicians who have committed to taking over the medical care of all our patients.

Dr. Elah Nadel, Dr. Maya Nadel, Dr. Orli Nadel (yes, they are sisters) and **Dr. Timothy Li** will be practicing together at **1110 Sheppard Ave. East, Suite 410** (near Leslie and Sheppard). They have agreed to accept every one of our patients who wishes to transfer their care to Doctors Nadel and Li. We highly recommend that you consider becoming their patients. (*For the doctors' biographies, see over.*)

They are affiliated with North York General Hospital and are part of the North York Family Health Team, just as we were. Their office is just 2 km from our present address, is close to the Leslie Street subway station, offers free parking, and there is ready access to medical imaging, LifeLabs, and a pharmacy in the adjoining building.

We highly encourage you to reserve your spot in Advancing Care Medical Clinic as soon as possible, as we are aware of how difficult it can be for patients to find local family physicians willing to accept new patients.

North York
Family Health Team

**Advancing Care
Medical Clinic**

Appointments

You can contact Advancing Care Medical Clinic to make or confirm your first appointment. If you have a **pre-existing appointment** for **2018** with either Dr. Rachlis or Dr. Teitelbaum, Advancing Care Medical Clinic will try to honour the time and date already in place, but please call 416-285-3323 to make or confirm your first appointment.

Starting January 2, 2018

Advancing Care Medical Clinic will be ready to see patients beginning **January 2, 2018**.

When you go for tests, see a specialist, have a medical procedure, visit an after-hours/walk-in clinic or go to an Emergency Department, or are admitted to hospital, please give them the name of your new family physician.

Please inform your pharmacist of your new family physician starting in January 2018. Patients who are on more than 3 prescription medications should also ask their pharmacies to complete a MedsCheck.

Starting January 2nd, 2018, you can make an appointment with the Nadel-Li office for any immediate or ongoing medical concerns just as you did with Dr. Rachlis and Dr. Teitelbaum.

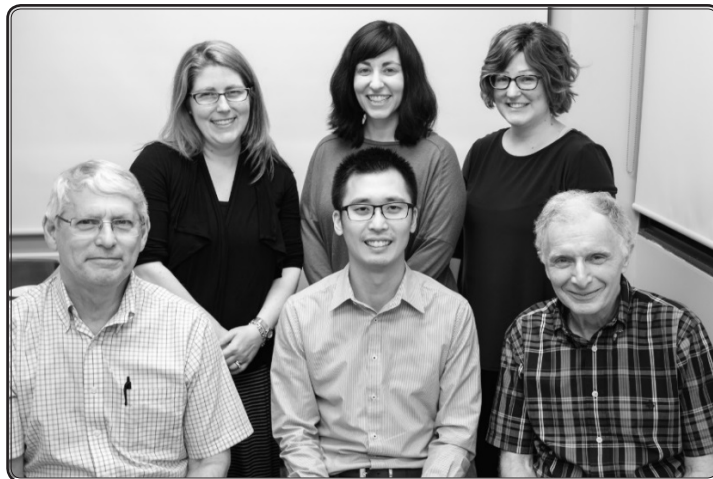

To get things started with Doctors Nadel and Li, review and complete the **enclosed forms** or visit www.advancingcare.ca/new-patients.

Biographies

Our concerns for your future care have been greatly lessened by the knowledge that we have arranged for you to be cared for by wonderful, highly competent family physicians at Advancing Care Medical Clinic.

Dr. Timothy Li

Dr. Timothy Li has been practicing family medicine since 2015. He completed medical school and family medicine residency training at the University of Toronto. He also completed a Bachelor of Medical Sciences and a Master of Science with a focus in Physiology and Pharmacology at the University of Western Ontario. Prior to his medical training, he was a clinical research assistant at the University of Western Ontario and the University of Toronto. He is a faculty member in the Department of Family and Community Medicine at North York General Hospital and is involved in clinical teaching of medical students and residents.

*Top row, left to right: Dr. Orli Nadel, Dr. Maya Nadel, and Dr. Elah Nadel.
Bottom Row: Dr. Val Rachlis, Dr. Timothy Li, and Dr. Stan Teitelbaum*

Dr. Elah Nadel

Dr. Elah Nadel has been practicing medicine since 2014. She completed her medical school training at McMaster University, and her Family Medicine residency at The University of Toronto. She also holds an Honours Bachelor of Science from the University of Toronto. She is a Vari scholar, and prior to her medical training was a research assistant in the Department of Psychology at University of Toronto. She is involved in the clinical teaching of medical students and residents.

Dr. Maya Nadel

Dr. Maya Nadel has been practicing family medicine since 2012. She completed medical school at McMaster University and family medicine residency training at the University of Toronto. She also completed a Bachelor of Arts in psychology at York University. She is involved in clinical teaching of medical students and residents.

Dr. Orli Nadel

Dr. Orli Nadel has been practicing medicine since 2007. She completed medical school and family medicine residency training at the University of Toronto. She also completed a Bachelor of Education at York University. She is a faculty member in the Department of Family and Community Medicine at North York General Hospital. Dr Orli Nadel sits on the department's Patient Safety Committee where she is participating in an effort to learn from adverse events and near-misses in family practice offices. She is also involved in clinical teaching of medical students and residents.

For more information on Doctors Nadel and Li, visit www.advancingcare.ca/new-patients or call 416-285-3323.
