Notice of Practice Closure

Dear Patients:

It is with mixed feelings and after much consideration that after, 44 years, I have decided to retire from my Podiatry practice. **My last day of patient care will be on November 7, 2024.**

I have enjoyed having you as a patient and a friend and I want to thank you for your trust and confidence in permitting me to take care of your podiatric needs. Treating my patients has fulfilled me more than I am able to express

Your Medical Record

I am required by the College of Chiropodists of Ontario to store all original patient records for a period before they can be destroyed. I've selected **RSRS**, a physician-managed company to safely and securely store all patient records from my practice.

RSRS will also assist you in obtaining a *certified and searchable copy of your record* for yourself and/or a new physician. To arrange for a copy of your record, please contact RSRS at:

www.recordsolutions.ca/SNadal

Tel: 1-888-563-3732

Fax: 1-877-398-5932

Email: info@rsrs.com

(There is a fee for the copy/transfer of medical records, but it is not prohibitive.)

For podiatric care in your area, search on the internet:

“footcare near me”
or “podiatrist near me”
or “chiropodist near me”
or “foot surgery near me”

If you have an urgent medical matter in the absence of an appropriate practitioner, proceed to the nearest emergency room.

Once again, I have enjoyed working with you to assist with your health care needs and wish you well and good health into the future.

Sincerely,

Sheldon Nadal D.P.M

*RSRS is a physician-managed medical records storage facility. They are fully compliant with the guidelines set by the College of Chiropodists of Ontario and the relevant privacy regulations.
