NOTICE OF PRACTICE CLOSURE

February 2018

Dear Patients:

It is with much joy and sadness, I decided that it was time to close my family practice. I have enjoyed being your family physician and it has been a privilege to assist with your health issues. I have enjoyed many good friends in the practice; patients, staff, and colleagues, but the time has come to move on. **My last day seeing patients is September 27th 2018.**

Finding a New Doctor

You can go to a physician of your choosing, assuming they are accepting new patients. You may also try contacting **Family Doctor Finder**, to locate a new health care provider. They can be reached at: 204-786-7111. Toll-free 1-866-690-8260 or on their website www.gov.mb.ca/health/familydoctorfinder.

Medical Record (Important)

I am required to keep all original clinical records of my patients for a specified period before they can be shredded. We have contracted with **RSRS** (Record Storage & Retrieval Services)*, a physician-managed facility, to store the records from my practice and to transfer a certified copy of your file upon your instruction. **It is important to obtain a certified copy of your personal medical history from RSRS so that you have it for yourself and for another physician when you need it.** This information is important for your continued care and may not be available to you or your next healthcare provider otherwise.

Please obtain your medical record at:

www.recordsolutions.ca/DrBedder

or call RSRS at

1-888-563-3732, Ext.1

(Please note that there is a fee for the copying and transferring of medical records)

It has been a great pleasure being your physician and I wish you and your family the much health and happiness for the future.

Sincerely,

Phyllis Bedder MD.

* RSRS is a fully compliant, physician-managed medical records facility.
