NOTICE OF PRACTICE CLOSURE

July 2017

Dear Patients:

I am writing to inform you that after 28 years in my Alliston practice and after much consideration, I have decided to retire. **My last day seeing patients will be Thursday, September 28, 2017.**

Finding a New Doctor

There are currently doctors accepting new patients in our area. The Ministry of Health has established **Health Care Connect** which is the office that helps Ontarians find a new health care provider. To register for the Health Care Connect program patients can call **1-800-445-1822**.

Also: Dr. N. Dortaj, who has recently taken over Dr. C. Hendrick's practice at Alliston Family Physicians is accepting new patients (call 1-705-435-5633).

Medical Record (Important)

It is required that all original clinical records of patients are kept for a specified period before they can be shredded. I have contracted with RSRS (Record Storage & Retrieval Services), a compliant medical records facility to store the records from the practice and to transfer a copy of your file upon your instructions.

I strongly recommend that you obtain a copy of your personal medical history from RSRS.

This information is important for your continued care and may not be available to you or your next healthcare provider otherwise. Please inform any specialist you may be attending of your new family doctor's name and location. **When you go for tests or see a specialist, please provide them with the name of your new family doctor. As of Thursday, October 12, 2017, I am no longer responsible for any of your test results.**

To obtain a copy of your medical record,
Please complete the online request form at:
www.recordsolutions.ca/dromylanowski/
or contact:
Patient Support at 1-888-563-3732 extension 1

(Please note that there is a fee for the copying and transferring of medical records)

You do not need to have a new doctor in order to obtain a copy of your health records.

I have enjoyed being your Family Physician and deeply appreciate the trust you have given me, I will miss you all. I wish you good health and the best of luck in the future.

Sincerely yours,

Diana Omylanowski, B.Sc (Hon), M.D.
